Participant Information Sheet and Informed Consent

Dear Participant,

We, students from Southwestern University College of Information Technology are currently conducting a study entitled “Evaluating the Impact of a Cloud-Based Inventory and Financial Management System on Decision Making Efficiency for Small and Medium Enterprises” under the supervision of Ms. Almie Joy B. Ilustrisimo

This study aims to design and evaluate a cloud-based inventory and financial management system to reduce issues caused by manual tracking and reconciliation errors and to support better decision-making efficiency.

What you will do in this study:

You will answer the survey questionnaire to help us craft and conceptualize an IT solution based on your answers. We would highly appreciate it if you could spend about 1hr of your time.

Risks:

There are no anticipated risks beyond those encountered in daily life associated with participating in this study.

Voluntary Withdrawal:

Your participation in this study is completely voluntary, and you may withdraw from the study at any time without consequences. However, it is important to us that you completely answer the questions as possible. Your decision to participate, decline, or withdraw from participation will not affect your status or relationship with the University.

Confidentiality:

Rest assured that all the information collected through this survey would be kept strictly confidential and will solely be used for academic purposes.

Further Information:

If you have questions or need clarification about this study, please feel free to contact us.
